Boscobel Area Schools

Boscobel 4K Registration & Child Development Days March 14th and 15th

Thursday: 11:30 a.m. to 6:30 p.m. / Friday: 8:00 a.m. to 2:30 p.m.

Held at BMZ Church * 104 Buchanan Street, Boscobel / Walk-Ins Welcome (**appointments preferred**)

***Schedule Appointments Online/Registration Opening: February 1st**

Schedule Appointment, Complete Screener, 4K Enrollment

Fine and Gross Motor Skills

• Speech, Hearing, and Vision

• Overall Childhood Development

4K Registration

Who should attend:

* **ALL** 4 year old children entering 4K in the fall of 2024
(must be 4 yrs. old on or before Sept. 1, 2024)

*Go to: www.boscobel.k12.wi.us

*1st Time Parents in our District (No Skyward Account):
Choose: "**Request Account**"

*Parents with a Skyward/Family Access Account:
Choose: "**4K Registration**"
(then choose "**Online Registration**" ~left side menu)

*Complete **Online Registration**,
the **Online Screener** and **Schedule an Appointment**

**Complete the above by March 13th
for a chance to win a \$50 Amazon Gift Card!**

If you have difficulties or questions with registration or scheduling,
please call Tammy or Shannan at 608-375-4165 or email
hinetamm@boscobel.k12.wi.us or aspehann@boscobel.k12.wi.us

Child Development Days

Who should attend:

* **ALL** children turning 3 yrs. old by Sept. 1, 2024
(*4-year-old children not attending 4K in the fall)

*Go to: www.boscobel.k12.wi.us

*Choose: "**Child Development Days**"

*Complete **Online Screener** and
Schedule an Appointment

**Complete the above by March 13th
for a chance to win a \$50 Amazon Gift Card!**

If you have difficulties or questions with the screening or scheduling,
please call Shayla at 608-375-4164, ext. 2514
or email shayla@boscobel.k12.wi.us

Signing Day!!

Erin Knowles signed her National Letter of Intent to play Basketball for Cornell College in Mount Vernon, IA!
Erin is a great leader for The Boscobel Bulldog Basketball team. The Bulldogs are so proud of you!

Congratulations Erin!!

Signing Day!!

Aleya Kliesner signed her National Letter of Intent to continue her Cross Country career with the UW-La Crosse Eagles. They are gaining an outstanding runner. We are so proud of you!

Congratulations Aleya!!

4K is Snow Much Fun!!

Steppin' Out in Pink for Breast Cancer

In October, the Boscobel Middle School and High School Student Councils sold pink ribbons for \$1 to students and staff to raise money for Steppin' Out in Pink – Gundersen Medical Foundation. In total, \$115 was raised to support breast cancer research and patient support programs. On hand to accept the donation on behalf of GMF was Gundersen Boscobel Area Hospital and Clinics administrator and breast cancer survivor, Theresa Braudt!

Unit Rates: Price per Ounce Grocery Ads

In Mrs. Beck's math class, students are learning how to compute unit rates. For one activity, students created a poster showing the price per ounce. After selecting four items from grocery store flyers, they calculated the price per ounce for each of these products. The next day, students rotated around the room to different stations. At each station they compared the unit rates of items like toaster pastries, tacos, and gum. Then they had to write about which brand or size was the better deal.

Grades: ECH- 5th

When: Monday, February 26th

Snow date: February 27th

Free Meal: 5:15 Chicken Nuggets & Fries

Math Games: 6:00 – 7:00pm

Where: Boscobel Elementary School Gym

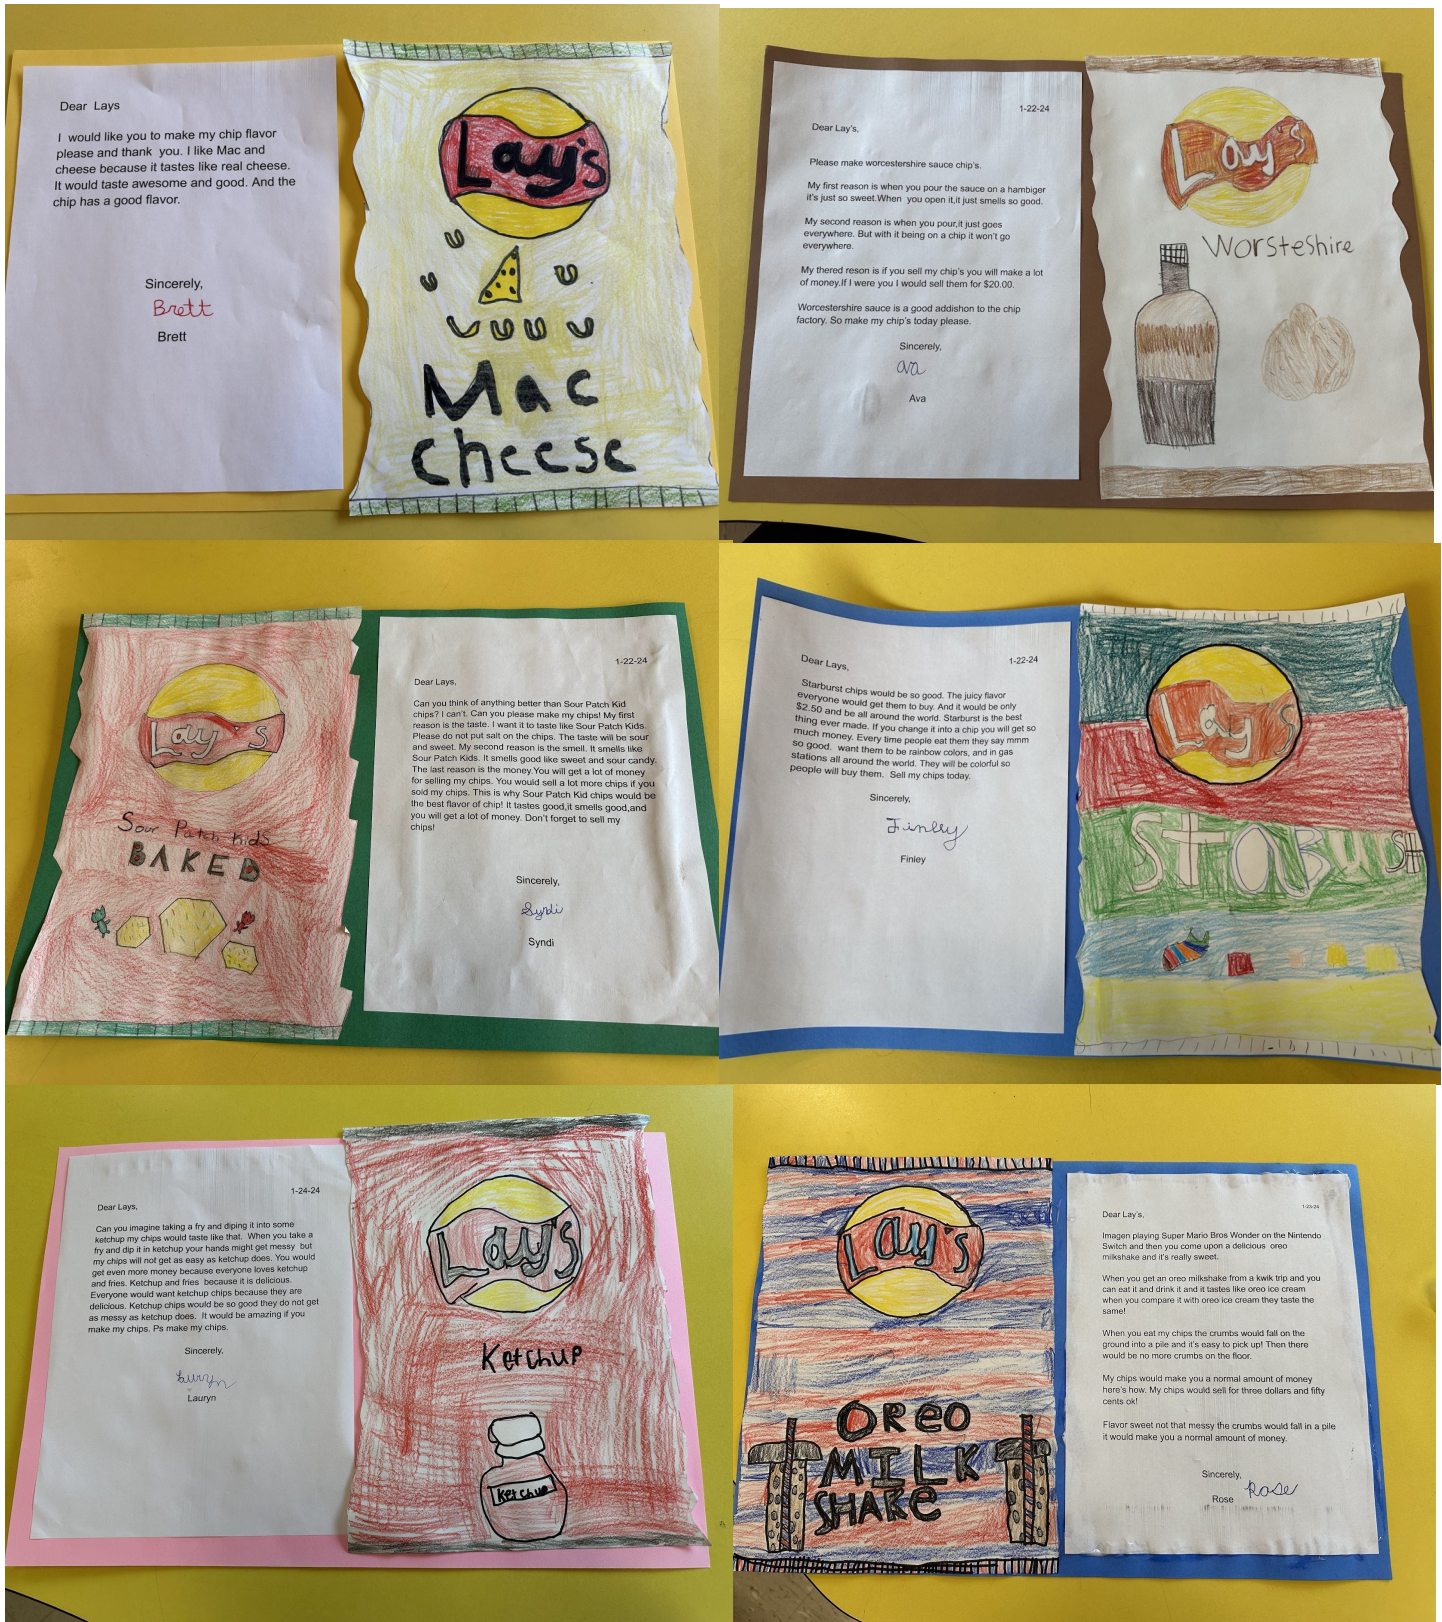

Sledding Crew from Mr. Kinney's and Ms. Bender's Classes

Third Grade Imaginations

Our industrious third graders have been hard at work inventing innovative chip flavors and crafting persuasive letters to bring their tasty creations to life!

Which flavor do you think **Lay's** should create?

Dorian Choral Festival

On January 7th and 8th choral members participated in the 74th Annual Dorian Choral Festival held at Luther college. They sang with over 1,200 students from all over the Midwest.

Participants included: Dakota Bedward, Trenton Connely, Maribeth Fritz, Makenzie Fritz, Gretta Grassel, Aubree Johnson, and Jonah Troxel.

Honors Band

There were six high school and five middle school students who attended the SWAL Honor Band at Riverdale Schools. They had two days of hard rehearsing with great musicians from all 10 SWAL schools, which led to a great performance on that Saturday afternoon.

We are so proud of these students and the work they put in to get nominated and perform!

Assessment News

Juniors

Test date: March 12, 2024

All juniors will be taking the ACT at the high school. There is no registration necessary, this will all be taken care of by the school.

For those interested in doing a retake you can register online for the ACT at www.actstudent.org.

Free ACT Test Preparation Resources:

ACT is now offering a free online test prep. This can be accessed at <https://academy.act.org/>.

- Know exactly what you missed and what you didn't with a score report
- Access related resources to improve your skills based on what you missed
- Retake the test as many times as you want

Students, teachers, and parents can create an account. This account allows students to track their progress and keep moving forward in their test preparation. Short quizzes are designed to help students identify the content they have mastered and to clarify areas where more focus is needed. If students have already taken the ACT or PreACT they can simply enter their scores and custom playlists will be automatically created. **Links to practice tests** and exemplar items for the ACT can be found at the [DPI ACT Practice Tests/Sample Items website](https://dpi.wi.gov/assessment/act/practice-test) (<https://dpi.wi.gov/assessment/act/practice-test>)

Freshman and Sophomore Students

Test window: March 18-April 26

PreACT Secure is a summative assessment given to 9th and 10th grade students aligned to the ACT and the ACT College and Career Readiness Standards. PreACT Secure measures what students have learned in the areas of English, Reading, Mathematics, and Science. Here is some information for practice: [PreACT Secure practice tests](#)

For more information, please visit: <https://dpi.wi.gov/assessment>

ACT High School Assessments

2023-24 Information for Families

What are the ACT High School Assessments?

ACT, Inc. has provided testing services for more than 50 years. Their assessments have evolved to reflect the nation's view of education to embrace lifelong learning and prepare students to be college and career ready after high school graduation. The Wisconsin Department of Public Instruction (DPI) contracted with ACT, Inc. starting with the 2014-15 fiscal year to

comprehensively assess Wisconsin high school students:

- 9th and 10th grade students will take the **PreACT Secure** assessment in the spring.
- 11th grade students will take **The ACT®** with writing in the spring.

The PreACT Secure

PreACT Secure assesses student readiness in English, Mathematics, Reading and Science.

The ACT® with writing

The ACT with writing consists of four multiple-choice tests: English, Mathematics, Reading, and Science; and a 40-minute essay test that measures student writing skills.

How are the test results used?

All students in grades 9-11 will be given these assessments except for approximately 1% of students with significant cognitive disabilities who will be tested with an alternate assessment. This system of assessments will allow teachers to measure a student's growth throughout high school.

DPI will also use The ACT® with writing for the high school accountability measure in order to determine the extent to which schools and districts across the state meet proficiency standards.

What type of scores will be provided?

PreACT Secure scores are reported on a two-digit scale, 1 to 36, with 35 being the highest score. These scores will predict future ACT scores.

The ACT® with writing scores range from 1 to 36 for each of the subtests and one overall score called a composite. Students will also receive a writing score ranging from 2 to 12. Scores can be used by students for college admission, scholarships, course placement,

and NCAA eligibility. Students have the option to send their scores to up to four colleges free of charge, complete a voluntary pre-test survey, and opt-in to having ACT provide their information to colleges, universities, financial aid and scholarship agencies, and organizations that provide educational programs.

Each ACT score will fall in one of four Wisconsin performance levels which defines the student's understanding and ability to apply grade-level knowledge and skills.

What learning standards do the ACT High School Assessments measure?

ACT and DPI work together to ensure that the ACT assessments measure what students have learned through the Wisconsin Academic Standards. Students taught to the Wisconsin Academic Standards should be well prepared to be successful with the ACT assessments.

The Wisconsin Academic Standards define the knowledge and skills students should take away from their K-12 schooling to be successfully prepared for postsecondary and

career opportunities. The Wisconsin Academic Standards are available at <http://dpi.wi.gov/standards>.

Where can I find sample or practice test questions?

Practice tests and sample test questions are available from ACT. Actual test questions are not released.

- **PreACT Secure:**
<https://dpi.wi.gov/assessment/PreACT/practice-test>
- **The ACT®** with writing practice tests and sample writing prompts:
<https://dpi.wi.gov/assessment/act/practice-test>

For more information about PreACT Secure visit <https://dpi.wi.gov/assessment/PreACT>.

For more information about The ACT visit <https://dpi.wi.gov/assessment/act>.

Questions may be directed to the Office of Educational Accountability at osamail@dpi.wi.gov.

WISCONSIN DEPARTMENT OF
Public Instruction

December Students of the Month

Congratulations to Lilah Glasbrenner, the High School Student of the Month for December. Lilah was nominated by Mr. Halverson and Ms. Salzgeber. Mr. Halverson's nomination read, "Lilah recently made a video for a project in my class that was very well done. She is also always answering questions and engaging in class discussions. She is also a classroom leader and is great at taking charge in a constructive way when we have student centered activities in class.", and Ms. Salzgeber's read, "Lilah takes learning very seriously and always gives 100% effort on all work. She is not afraid to ask questions and does whatever is necessary to improve her work. Lilah is also a very helpful, generous person; as a member of Leos, she readily volunteers for various community service projects and assists others whenever she can.

Other nominees were: Tucker Drake and Blakelee Rodenberg

Congratulations to Jessa Oler, the Middle School Student of the Month for December. Jessa's nomination read, "Jessa is a model student. She always does the right thing. She is cooperative, courteous, and kind to everyone. She is great at helping struggling students with their math without giving answers. She always shows respect. If something needs to be done, she is quick to volunteer. Jessa desires to do well in all of her classes. If she doesn't understand something, she keeps at it until she does. Her test scores are always some of the best in the class due to her tenacity. It is a pleasure to have Jessa in math class." She was nominated by Mrs. Beck

Other nominees were: Blane Beinborn and Audrey Wayne

Honors Choir

Select members of the middle and high school choir participated in the 2024 SWAL Honors choir. The event was held at Mineral Point on January 25th and 27th. Students rehearsed and performed with the 10 other schools within the SWAL to create one large ensemble. The event ended with a grand concert showcasing the work from the past two days. The middle school was directed by Marcy Russel and the High School by Joe Anderson.

Middle School Participants included: L to R: Tessa Martin, Alexis Young, Eli Nghalem, Sawyer Loos, Gunner Wayne, Austin Langner, Tatum Miller, and Dezzie Edwards.

High School Participants included: Back L to R: Jonah Knowles, Paul O'Neill, Jonah Troxel, Dakota Bedward, and Isreal Koumouganh. Front L to R: Bryana Hill, Gretta Grassel, Aubree Johnson, and Carlee Chappell.

Trenton C. attended the Northern Festival of Bands hosted by the University of Northern Iowa. Rehearsals lasted from Thursday night until Saturday afternoon and included master classes with the university professors as well. The performances were terrific!

Foods Class

A new semester brings new student cooking labs.

Students got used to working with new lab partners by baking cookies.

February Newsletter Notes from the Nurse

IMMUNIZATION REQUIREMENTS: The Wisconsin Student Immunization Law requires **one dose of Tdap (tetanus, diphtheria, and acellular pertussis) vaccine for students entering grades 7-12.** This means that 6th grade students will be due for a Tdap vaccination when entering 7th grade. The county health department does not offer this vaccination at school, so please be sure to have your 6th graders vaccinated before the start of 7th grade. Those that qualify can schedule the vaccination through Grant County Health Department by calling 608-723-6461. Otherwise, contact your child's primary health care provider.

BLOOD PRESSURE SCREENINGS FOR 10TH GRADERS: 10th grade students have their blood pressure screened mid-winter. Hypertension, or high blood pressure, can be a silent but serious medical concern that is treatable once it is detected. If your child's blood pressure requires additional evaluation, you will receive a referral letter in the mail.

HEAD LICE:

Head lice is an ongoing problem through the school year. This is a reminder that it is important for parents to be screening their child (ren) for the presence of head lice. To detect the presence of head lice early, we suggest checking your family members' heads on a weekly basis. This is done by parting the hair in small sections with a comb and looking for bite marks, redness, or nits (eggs). The nits are usually found about ¼ to 2 inches from the scalp. They adhere themselves onto the hair shaft and cannot be easily removed. The louse is a small flat, wingless, brownish-gray creature with stubby antennae and six legs each ending in a sharp curved claw. They are mostly found behind the

ears and at the nape of the neck, although they may be found anywhere on the head. The louse can be seen with the naked eye. They range in size and can be very tiny when first hatched. A thorough check for lice should take 15 minutes or more to do and must be done in a good light. It is best for everyone to use only their own personal articles at home and school. If evidence of active head lice is found, treatment with anti-lice shampoo is recommended. For more information regarding head lice detection and treatment, contact Grant County Health Department at 723-6416. Another resource for head lice evaluation and treatment is the Lice Clinic of America. You can contact the Dubuque, IA clinic by calling 563-235-1178 or check out their website at <https://www.liceclinicsofamerica.com/landing/dubuque/>. They do charge for their services but can sometimes bill insurance. You can also check with your health care provider, especially since some insurances will pay for specific head lice treatments.

Additional Head Lice Resources

<https://www.cdc.gov/parasites/lice/head/index.html>

<https://www.dhs.wisconsin.gov/disease/head-lice.htm>

<https://kidshealth.org/en/parents/head-lice.html>

<https://www.healthychildren.org/English/health-issues/conditions/from-insects-animals/Pages/Signs-of-Lice.aspx>

Please note the district's procedure for management of head lice.

1. Students with live head lice, verified by inspection, will be sent home from school for treatment.
2. Repeat cases of live lice will not be readmitted to school. The school nurse will not medically excuse recurring or inadequately treated cases. (The parent/guardian will be responsible for absences related to untreated or inadequately treated cases. These absences could result in truancy.) Students may be re-checked by school staff to rule out continued or recurring infestation.
3. Classroom notification letters will be sent home to alert parents only if a high percentage of children in a classroom are newly infested (no history of head lice).
4. Schools will not perform mass head lice screenings, but will screen on an individual basis by referral. Typically, siblings living in the same household and known close contacts/friends in school will be screened when possible.

NATIONAL CHILDREN'S DENTAL HEALTH MONTH: February is National Children's Dental Health Month. The school nurse meets with our 1st graders each year to talk about healthy smiles, daily brushing, flossing, and healthy eating habits. You can help your child enjoy a lifetime of healthy smiles by encouraging good dental health habits and scheduling regular dental exams. Below are some "healthy teeth rules."

- Brush your teeth twice daily using a toothbrush with soft bristles and a pea-size amount of toothpaste
- Floss (with an adult's assistance if necessary) once daily
- Drink fluoridated water and/or participate in some sort of fluoride application/supplement
- Eat a nutritious, balanced diet with plenty of healthy fluids and limit sugar and starch snacks
- Receive regular dental checkups

To learn more about dental health, visit www.ada.org or www.healthyteeth.org.

DENTAL CARE AT SCHOOL: *Teeth-For-Life* offers preventative dental care at school for all students in early childhood through 12th grade. A dental provider comes to the school to provide the program at no charge to you. All procedures will follow recommendations from the American Dental Association and Center for Disease Control and Prevention's recommendations for school-based dental sealant programs. This program provides our school with a visiting registered dental hygienist. Her name is Devan Toberman.

Professional dental services provided at school include:

- Dental health assessment
- Sealants (if appropriate)
- Fluoride varnish application
- Oral Health Education (with new toothbrush)
- Referral Assistance

Services do NOT include a dental exam or dental x-rays, therefore a visit to a dentist at least once a year is recommended. You will need to sign a permission form if you want your child to see the hygienist at school. If you would like a form, please contact the school nurse.

HUMAN GROWTH & DEVELOPMENT: During the month of March, PE instructors and Mrs. Brinkman will be instructing the 5th & 6th grade students regarding Human Growth & Development. If you are a parent/guardian of a 5th or 6th grade student, refer to the informational letter that will be sent to you in the mail. Mrs. Brinkman will be presenting to 4th grade girls in February. Parents/guardians of 4th grade girls should also receive an informational letter regarding this instruction. Please call Mrs. Brinkman if you have any questions that are not answered from your letters.

Dental Associates of Prairie du Chien, P.C.
is hosting its 29th Annual

HAVE A HEART DAY 2024

Doctors will be providing dental
services to **new patients without
insurance at NO CHARGE!**

DATE

FEB 10, 2024

KIDS WILL HAVE FIRST PRIORITY

*Due to time & room constraints, we may
have to limit the number of services per
patient.*

*The following procedures will be
available/provided at **no charge**:*

- **EXAMS**
- **X-RAYS**
- **FILLINGS**
- **EXTRACTIONS**
- **SEALANTS**
- **CHILD CLEANINGS**

Call **(608) 326-6886** to schedule appointment today!

Important Senior Dates

Sunday, December 31—FAFSA should be available by this date (according to the website)

Monday, January 8—Senior Pictures are due to Marc Chiefari (information enclosed)

Thursday, January 18—First Semester Ends

Friday, February 16—Local Scholarships Due

Wednesday, March 13—Seniors attend Reality Check in Prairie du Chien.

Wednesday, April 10—9:30 AM High School Academic Awards/Boscobel Honor Society

Friday, April 19—Career Exploration Day at BHS

Wednesday, May 15—Senior Picnic

Sunday, May 19—Scholarship Presentations at 4 PM in the Big Gym (Scholarship recipients will be notified)

Monday, May 20—A Day Finals

Tuesday, May 21—B Day Finals

Wednesday, May 22—Seniors last day (finals make-up)

Baccalaureate (in past years it has been scheduled on this Wednesday—we will receive info on this event from the committee)

Thursday, May 23—9:00 AM Senior Awards in Big Gym followed by graduation.

Practice-Pizza and bowling at the Boscobel Bowl and Banquet

Saturday, May 25—Graduation 11 AM. We will need seniors to be at the school by 9:45 AM for pictures.

Other Info—

******Every Tuesday and Thursday during WIN time, I am available in the cafeteria for seniors (scholarship help and other senior “needs”). Please encourage your seniors to utilize this time—very few students attend these sessions.

******The Boscobel Women’s Club hosts the traditional Senior Tea for the girls. This event is usually in April. Invitations will be sent directly to the girls.

******Official transcripts will be sent directly to the colleges and universities when grades have been finalized after graduation.

******If a student needs a transcript sent directly from SWTC for GearUp courses or our Transcribed courses, the student must order the transcripts online through the SWTC website.

******We will “draw” for reserved graduation seating before graduation practice on Thursday, May 23. Every graduate will receive 4 reserved tickets for floor seating. Bleacher seating is available for other guests.

*******To participate in the graduation ceremony, a student must have met all graduation requirements. Also, textbooks and Chromebooks must be returned to school and any outstanding fees (including lunch accounts) must be paid before participation in the graduation ceremony.

BOSCOBEL AREA SCHOOL DISTRICT

Facilities Referendum Update

Over the last many months, the district and its design and construction partners have been hard at work on the design phases, which wrapped up at the end of 2023. Thank you to the many staff and key stakeholders who were a part of the design process providing input and feedback on staff needs and design elements. We are currently in the construction planning phase (procurement). We had a great turnout from our open bidding process and from there we selected contractors that were the best fit for our district based on price and qualifications. Construction is scheduled to begin in the spring of 2024 when the ground thaws and will be complete by the fall of 2025.

Design & Construction Schedule

Phase One of the Long-Range Master Plan:

- » Address priority district-wide maintenance needs, including interior finishes, building envelope, and fire alarm upgrades
- » Add 4th and 5th-grade classrooms, flex space, parent drop-off, and secure entrances
- » Add bus loop, play area, additional parking, and ADA parking
- » Add gym and locker rooms for physical education, athletics, and community use
- » Convert the East Kronshage softball diamond to a baseball field and provide upgrades to both existing fields
- » Create operational and staff efficiencies by moving the district office to the Middle-High School building (using Fund 46 savings)

Stay tuned for more information and updates coming this year!
