National U.S. Presidential Scholars Program Nominee

Boscobel Area Schools is proud to announce that Trista Fargen, daughter of Shannan Aspenson and Dan Fargen, has been selected as one of twenty state level nominees for the National U.S. Presidential Scholars Program. This program was established to recognize and honor some of our Nation's most distinguished graduating seniors. The scholars represent excellence in education and the promise of greatness in young people.

Trista has excelled in many areas. She has challenged herself each year with a rigorous course schedule. Trista has taken all of the AP courses offered at BHS. She has also utilized the GearUp Program through Southwest Technical College. Last summer, Trista earned her CNA license and is active in the Youth Apprenticeship Program. Trista plans to further her education in the medical field of radiation sciences.

Congratulations!

Middle School Student Council Members Christmas Shopping

The Middle School Student Council members were busy Christmas shoppers. At the last meeting they voted to spend part of their treasury on gifts for three residents at the nursing home. After selecting three gift tags from the Community First Giving Tree, committees were created to shop for the presents, wrap the presents, and deliver the presents. Many nice Christmas gifts were purchased at local Boscobel stores for the three residents.

Girls Basketball Friday Readers

Members of the Girls Basketball team go to the elementary school on Fridays to read to the younger students. Pictures shared below are Ms. Benders class with their Friday Readers.

Middle School Math Activity

The seventh grade students have been busy learning about circles through a variety of activities. They began the unit identifying the radius, diameter, and circumference of circles. They were amazed to find out that the circumference of a toilet paper tube is much greater than the height of the tube. Measuring a variety of lids led the students to surmise that the circumference divided by the diameter equals pi. Now they are using pi to find the circumference of circles.

Project SEARCH

Mrs. Dalton took four students to UW Platteville to tour and learn more about the Project SEARCH program. One of the tour leaders and current interns was a recent BHS graduate!

Baking Experiment

Mrs. French's Baking class has been studying different fats and their effects on baked goods. This day each kitchen used a different type of fat and they judged the cookies on appearance, texture, and taste. Butter was the winner!!

4k Bulldogs

Our 4k Bulldogs are having SNOW much fun with their winter and holiday learning!

Middle School Tech Ed Exploratory Class

Middle school students in this class are learning wood working, metal working, and welding skills.

October Students of the Month

Congratulations to Brooklyn Larson, the High School Student of the Month for October. Brooklyn's nomination read, "Brooklyn is a dedicated, ambitious learner in all of her classes. Brooklyn is an active participant in any discussion, activity, or group work in class. Whenever she makes mistakes while learning a concept, she doesn't get frustrated; instead, she gives herself the grace to learn from them to become better at that particular skill. She truly takes every lesson as a learning opportunity. Her high grade marks for the first quarter in all of her classes demonstrate her eagerness to learn." She was nominated by Ms. Carlin. Other nominees were: Cameron Hogan, Gretta Grassel, Jayzen Brandes-Esser, Mercedes Hurley, and Trenton Connely.

Congratulations to Ali Morovitz, the Middle School Student of the Month for October. Ali's nomination read, "Ali is an easy nomination for student of the month. She is kind and respectful in class, helpful, and hardworking. Ali is always on top of getting her work done to the highest degree and is quick to help others. Ali is also involved in extracurriculars and enjoys sharing about her love for basketball." She was nominated by Mrs. Marks.

Other nominees were: Alivia Cullen, Austin Langner, Maci Larson, Owen Russell, and Taylor Jenson.

Congrats!

November Students of the Month

Congratulations to Hannah Dilley the High School Student of the Month for November. Hannah was nominated by Ms. Carlin. Her nomination read, "Hannah has a quiet determination about her. She is a highly motivated student, who receives exceptional grade marks. Hannah is an active listener and participant to any and every activity. However, the thing that truly sets Hannah apart from her peers is her inherent kindness. Hannah not only wants to do well personally, but she celebrates the successes of others just as much as her own, which is such a rare and special quality to have." Other nominees were: Anola Lessard, Kameron Walker, and Nick Kreul.

Congratulations to Walker Wayne, the Middle School Student of the Month for November. Walker's nomination read, "Walker has the best attitude and always arrives in class with a cheerful greeting. "Hi, Ms Thompson, How is your day? " He comes to class prepared, actively participates, encourages others, and is the most positive 6th grader I have ever had in class. What a joy!" He was nominated by Ms. Thompson Other nominees were: Audrey Wayne and Tatyana Rudd.

Holiday Gift Shopping

The elementary student council holiday gift-shopping event was a huge success! Students were able to purchase 2 gifts for \$2.00. Thank you to Mrs. Bohringer, the student council, and volunteers for organizing and putting on this event.

Middle School Family and Consumer Education Exploratory Class

The class was making PB&J muffins on this day.

Art Class Record

High School General Art students Cejae Vandenberg, Christopher McConkey, and Aycen Shriver recently learned how to work the pug machine in the Art room. While recycling a large quantity of clay, they extruded the school record sized coil at a length of 67 inches!

Baking Class Experiment

Mrs. French's baking class did an experiment with the temperature of butter and the effects on the end product. Room temp, melted hot, melted cooled, and chilled butters.

56th Annual Madrigal Dinner

The Annual Madrigal Dinner was a huge success! The event was catered by Ma's Bakery and served over 194 guests. We had 20 alumni in the audience along with Sharon Halverson, the director who started Madrigal. Thank you to everyone who attended!

Thank You!

Thanks to Mrs. Marks for the new coffee shop aprons!

Thursday, May 23—9:00 AM Senior Awards in Big Gym followed by graduation.

Practice-Pizza and bowling at the Boscobel Bowl and Banquet

Saturday, May 25—Graduation 11 AM. We will need seniors to be at the school by 9:45 AM for pictures.

Other Info—

**Every Tuesday and Thursday during WIN time, I am available in the cafeteria for seniors (scholarship help and other senior “needs”). Please encourage your seniors to utilize this time—very few students attend these sessions.

**The Boscobel Women’s Club hosts the traditional Senior Tea for the girls. This event is usually in April. Invitations will be sent directly to the girls.

**Official transcripts will be sent directly to the colleges and universities when grades have been finalized after graduation.

**If a student needs a transcript sent directly from SWTC for GearUp courses or our Transcribed courses, the student must order the transcripts online through the SWTC website.

**We will “draw” for reserved graduation seating before graduation practice on Thursday, May 23. Every graduate will receive 4 reserved tickets for floor seating. Bleacher seating is available for other guests.

***To participate in the graduation ceremony, a student must have met all graduation requirements. Also, textbooks and Chromebooks must be returned to school and any outstanding fees (including lunch accounts) must be paid before participation in the graduation ceremony.

Senior/Baby Picture Information

Senior & Baby pictures need to be turned into Mr. Marc Chiefari by **Monday, January 8th**. They will be in color. The senior picture will be used for The Boscobel Dial, as well as the yearbook with the baby picture.

Pictures need to be in a vertical pose.

You may choose to send a digital image instead of an actual picture. (A digital image is **preferred**.) Digital images should be in JPEG or TIF format with a minimum resolution of 300 dpi. Pictures should be sent to chiemarc@boscobel.k12.wi.us Mr. Chiefari will send a response if/when he receives any pictures that are emailed to him so that you know he received it/them. If you do not receive an email confirmation, please call him as your email might never have reached him due to being caught in the District email filter.

Boscobel Multimedia Class is offering parents/guardians of seniors the opportunity to place a baby picture/message in the yearbook for your graduate. There is **no charge** for this service; we are hoping to get the participation of all parents/guardians. In these messages you may show your love and support by sending a baby picture and a message of approximately **50 words or less** to your child. Any baby pictures and information received will be kept a “secret” from the graduate. If interested, send your baby picture and information to Mr. Marc Chiefari at the high school. A digital image or a printed picture may be sent along with the message. *Please put the name of the “baby” on back of the picture if you send an actual picture.*

Due to space limitations, we are asking that each senior’s family send only one baby picture and one message. Individual circumstances will be taken into consideration.

If you send a printed baby picture, it will not leave Boscobel High School; Mr. Chiefari can scan the image in and make it digital. Pictures will be kept safe until they are returned to you or your graduate. The goal is to return baby pictures the same day as they are received.

If you would like to purchase a yearbook for your graduate, the cost is \$42.00, or \$47.00 (if after certain date). Yearbooks may be purchased from Mr. Chiefari. Checks are to be made payable to Boscobel High School. Yearbooks will be delivered in the fall of the 2024-2025 school year.

If you have any questions, please call Mr. Marc Chiefari at 375-4161, Ext. 2320, or email him at chiemarc@boscobel.k12.wi.us

Information for Parents and Guardians

INFORMATION FOR PARENTS AND GUARDIANS

Our school has adopted The "I Love U Guys" Foundation's Standard Response Protocol (SRP). Students and staff will be training, practicing, and drilling the protocol.

COMMON LANGUAGE

The Standard Response Protocol (SRP) is based on an all-hazards approach as opposed to individual scenarios. Like the Incident Command System (ICS), SRP utilizes clear common language while allowing for flexibility in protocol.

The premise is simple - there are five specific actions that can be performed during an incident. When communicating these, the action is labeled with a "Term of Art" and is then followed by a "Directive." Execution of the action is performed by active participants, including students, staff, teachers and first responders. The SRP is based on the following actions: Hold, Secure, Lockdown, Evacuate, and Shelter.

HOLD

"In Your Classroom or Area"

Students are trained to:

- Clear the hallways and remain in their area or room until the "All Clear" is announced
- Do business as usual

Adults and staff are trained to:

- Close and lock the door
- Account for students and adults
- Do business as usual

SECURE

"Get Inside. Lock outside doors"

Students are trained to:

- Return to inside of building
- Do business as usual

Adults and staff are trained to:

- Bring everyone indoors
- Lock the outside doors
- Increase situational awareness
- Account for students and adults
- Do business as usual

LOCKDOWN

"Locks, Lights, Out of Sight"

Students are trained to:

- Move away from sight
- Maintain silence
- Do not open the door

Adults and staff are trained to:

- Recover students from hallway if possible
- Lock the classroom door
- Turn out the lights
- Move away from sight
- Maintain silence
- Do not open the door
- Prepare to evade or defend

EVACUATE

"To a Location"

Students are trained to:

- Leave stuff behind if required to
- If possible, bring their phone
- Follow instructions

Adults and staff are trained to:

- Bring roll sheet and Go Bag (unless instructed not to bring anything with them, dependent on reason for evacuation.)
- Lead students to Evacuation location
- Account for students and adults
- Report injuries or problems using Red Card/Green Card method.

SHELTER

"State Hazard and Safety Strategy"

Hazards might include:

- Tornado
- Hazmat
- Earthquake
- Tsunami

Safety Strategies might include:

- Evacuate to shelter area
- Seal the room
- Drop, cover and hold
- Get to high ground

Students are trained in:

- Appropriate Hazards and Safety Strategies

Adults and staff are trained in:

- Appropriate Hazards and Safety Strategies
- Accounting for students and adults
- Report injuries or problems using Red Card/Green Card method.

STANDARD RESPONSE PROTOCOL

PARENT GUIDANCE

In the event of a live incident, parents may have questions about their role.

SECURE

“Get Inside. Lock outside doors”

Secure is called when there is something dangerous outside of the building. Students and staff are brought into the building and the outside doors will be locked. The school might display the Building is Secured poster on entry doors or nearby windows. Inside, it will be business as usual.

SHOULD PARENTS COME TO THE SCHOOL DURING A SECURE EVENT?

Probably not. Every effort is made to conduct classes as normal during a secure event. Additionally, parents may be asked to stay outside during a Secure event.

WHAT IF PARENTS NEED TO PICK UP THEIR STUDENT?

Depending on the situation, it may not be safe to release the student. As the situation evolves, Secure might change to a Monitored Entry and/or Controlled Release.

WILL PARENTS BE NOTIFIED WHEN A SCHOOL GOES INTO SECURE?

When a secure event is brief or the hazard is non-violent, like a wild animal on the playground, there may not be a need to notify parents while the Secure is in place.

With longer or more dangerous events, the school should notify parents that the school has increased their security.

LOCKDOWN

“Locks, Lights, Out of Sight”

A Lockdown is called when there is something dangerous inside of the building. Students and staff are trained to enter or remain in a room that can be locked, and maintain silence.

A Lockdown is only initiated when there is an active threat inside or very close to the building.

SHOULD PARENTS COME TO THE SCHOOL DURING A LOCKDOWN?

The natural inclination for parents is to go to the school during a Lockdown. Understandable, but perhaps problematic. If there is a threat inside the building, law enforcement will be responding. It is unlikely that parents will be granted access to the building or even the campus. If parents are already in the school, they will be instructed to Lockdown as well.

SHOULD PARENTS TEXT THEIR STUDENTS?

The school recognizes the importance of communication between parents and students during a Lockdown event. Parents should be aware though, during the initial period of a Lockdown, it may not be safe for students to text their parents. As the situation resolves, students may be asked to update their parents on a regular basis.

In some cases, students may be evacuated and transported off-site for a student-parent reunification.

WHAT ABOUT UNANNOUNCED DRILLS?

The school may conduct unscheduled drills, however it is highly discouraged to conduct one without announcing that it as a drill. That's called an unannounced drill and can cause undue concern and stress.

Parents should recognize that the school will always inform students that it is a drill during the initial announcement.

It's important to differentiate between a **drill** and an exercise. A drill is used to create the “Muscle Memory” associated with a practiced action. There is no simulation of an event; this is simply performing the action. An exercise simulates an actual event to test the capacity of personnel and equipment.

CAN PARENTS OBSERVE OR PARTICIPATE IN THE DRILLS?

The school welcomes parents who wish to observe or participate in drills.
